Montgomery, AL 36107

Re: Requisitos de participación para actividades extracurriculares

Estimado Sr. Agee:

Le escribo en nombre de los estudiantes invidentes a quienes se les ha negado el

Sin lugar a dudas, todos los niños presentes en los Estados Unidos tienen el derecho constitucional de asistir a las escuelas públicas primarias y secundarias, sin importar su

estatus de inmigración federal. Esta norma, anunciada por la Corte Suprema de EE.UU. en 1982, se basa en el hecho de que la educación es el único camino que tiene un niño

actividades extracurriculares al requerir de un número de seguro social viola la Cláusula
